Motion for Jurisdictional Objection

Counsel are present as indicated above.

Following oral argument of counsel, Court confirms Tentative Ruling as follows:

> Motion is DENIED. The facts indicate that Husband has purposefully established contacts with California, this action arises out of the forum-related contacts and the exercise of personal jurisdiction in this case comports with fair play and substantial justice.

Court places this case back of the Domestic Calendar on October 14, 1993, at 8:30 am, in Department Four, for issues relating to child support and visitation.
